

YARDWASTE COLLECTION:

The City of Owasso Refuse Division is set to begin its annual yardwaste collection program on April 9, 2012. Once again, the yardwaste collection season will be extended through November 9, 2012. The extension provides residents an additional four (4) weeks of yardwaste collection service.

During this period, all yardwaste is required to be separated from other residential refuse and must be placed in the city-supplied clear compost bags or specifically requested City of Owasso issued red polycarts if curbside pickup is desired. Brush shall be tied in bundles not to exceed four feet in length and two feet in diameter. These bundles shall be placed in the red polycart, or a city-supplied clear compost bag must be attached to each bundle.

The cost for the red polycart will be \$11.70 per month. The approved compost bags will be \$8.00 for a roll of ten (10), and shall be offered for sale at City Hall, the Owasso Recycle Center, and the Owasso Quick Trip stores.

For more information, contact the City of Owasso Public Works Department at 918-272-4959 or visit the City of Owasso website at http://www.cityofowasso.com/public_works/refuse_info.html
