The City of Owasso is excited to offer every resident, not paying for ambulance service on their utility bill, the opportunity to participate in the City's ambulance subscription program.

The City of Owasso, through the Emergency Medical Services provided by the Fire Department, is committed to providing quality, affordable emergency ambulance care as a service to all residents of Owasso.

Payment from a subscriber's insurance will satisfy your obligation to the city for service costs. Non-Subscribers are responsible for payment in full for services, regardless of the amount covered by their insurance carrier.
