

Online Alarm Registration

This document will help you register your monitored alarm with the City of Owasso False Alarm Reduction Program and make payments.

Use the website address: <https://owasso.alarmreg.com/>

Register an Alarm Online

Enter your email address in the form on the left and click 'Register'.

The system will send a password to your email. Check your spam or junk mail folders if you do not see it within 10 minutes.

If you have not received the password within an hour, call or email the support desk at 734-619-0550. You may also receive faster and after hours support by emailing support@alarmsupport.org

Online Alarm Registration

When you are logged in, enter your account information and click 'Submit' at the top or bottom of the form. Make sure to check all the required fields before clicking 'Submit'.

Once you click 'Submit', you will be taken to the payment screen to pay the fee by credit card.

Once you submit your registration, you will be unable to change this information until after your registration has been processed.

After your registration is processed you can make any changes and re-submit if desired.

Account # Fields with an asterisk (*) are required. Submit to Verify.

Alarm Signal Received at: Central Station Police Station Local Alarm

Do you have a Maintenance contract for your system? Yes No

By submitting I understand and agree to the terms set forth in the [Payments Disclaimer](#).

Note: In some cases when you log back into your online registration, the alarm company will not appear on the form.

If you need to re-submit for any reason, you will need to choose your alarm company again.

DO NOT WORRY if the alarm company phone number that appears is not the same as the one you have.

Online Alarm Registration

Registering Additional Alarms

If you have more than one alarm location click 'Register another alarm' at the bottom of the page.
